Gathered from All Quarters  
About Men Talked About  
in the Walks of  
Politics.Men Who Are Candidates and  
Men Who Are Not and What  
People Say.North Side elevated service is a  
joke.Judge Edward Osgood Brown of the  
Appellate Court appears to have the  
inside track for that Chicago Federal  
Judgeship.If the "home rule," demanded by  
Chicago aldermen is the Phone Rule,  
the City Council has been handing to  
the people, then Chicago does not  
want any more of it.If the people of Chicago are given  
the referendum and the right to vote  
on phone franchises, they will then  
have the kind of "home rule" they  
want.James S. Hopkins, the well known  
lawyer, talked of for the Circuit  
bench, would make an excellent Pro-  
bate Judge to succeed Judge Cutting.How about those gum and weighing  
machines on the elevated platforms?  
The city council ordered them off but  
they are still in evidence.With aldermen in office for four  
years, the telephone company would  
have a sure monopoly.Judge John R. Caverly has the pub-  
lic with him in the common-sense  
views he expresses from the bench.  
It does not hurt a judge to show hu-  
manity to the downtrodden.The legislature should pass a recall  
law for all local offices as soon as  
possible.Every user of a telephone is op-  
posed to the concessions made by the  
city to the telephone trust.Michigan avenue, with its autos  
parked in the middle, looks like a hay-  
market in a small town.No member of the Legislature  
stands higher in the estimation of  
their constituents than Benjamin M.  
Mitchell.Former United States Senator Al-  
bert J. Hopkins has earned the con-  
fidence and admiration of all Illi-  
noisians by his brilliant, honest and  
clean career.Give the people the recall and it  
will make little difference how long  
a public official's term is.One of the ablest and most popular  
public officials in Cook County is County  
Commissioner John E. Maloney.What has Alderman Bellfuss ever  
done for his constituents?As County Judge, John E. Owens  
is working ably and conscientiously  
in the interests of the people.Whether it is utility "home rule"  
or not, Chicago people are bound to  
have phone rule.The city should build bridges over  
the river at La Salle and Franklin  
streets. They are badly needed.Judge Kickham Scanlan has always  
been the friend of the oppressed and  
his stand in the recent street car  
arbitration was in keeping with his  
record.The parks are being rapidly turned  
into roadways.Will through routing of "L" lines  
help or impede travel?Chicago is taxed nearly to death  
and there is more coming.The Federal Government outside of  
its special taxes levies an income tax  
and a Corporation tax.The other taxes in Chicago are levied  
by the following bodies:State Tax—For state purposes. The  
governor, auditor and treasurer con-  
stitute the board which ascertains the  
rate per cent required to produce the  
amount of taxes levied by the general  
assembly. The "state school tax" is  
levied in the same manner.County Tax—The county board levies  
the taxes for all county purposes.City Tax—The city council, acting  
with the mayor, levies the taxes for  
all city purposes.School Tax—The city council and  
the mayor make a separate levy for  
this purpose.Library Tax—The city council and  
the mayor make a separate levy for  
this purpose.Sanitary District—The tax is levied  
by the board of trustees.South Park System—The South  
Park Commissioners levy for park  
purposes in the towns of South Chi-  
cago, Hyde Park and Lake.West Park System—The West Chi-  
cago Park commissioners levy for  
park purposes in the town of West  
Chicago.Lincoln Park—The Lincoln Park  
commissioners are not "corporate au-  
thorities," the Lincoln Park act not  
having been adopted by popular vote.The levy for Lincoln Park is made by  
the county treasurer, acting as ex  
officio supervisor.Ridge Park—A small park district  
in Rogers Park, organized under the  
law providing for local park districts  
by popular vote. The board of five  
commissioners levies for the district.The North Shore Park District—Or-  
ganized the same as Ridge Park.
